Photo Identity Cards

ISB also requires a photo identity card for campus access. Please send us a passport-style photo (head and shoulders) for each parent. You may email digital photos to admissions@isb.be or send us physical photos.

Photo Policy

Photographs are an important media that help us communicate - to current families, prospective families and ISB Alumni - the rich and diverse experiences of children at ISB. A single photograph can often capture more than 1000 words. We therefore regularly use photographs on our website and in our printed publications. Our policy is to ask any parent who does not wish their child(ren) to be featured in this way to let us know by sending an email to the Communications Office at communications@isb.be clearly stating your child's full name and grade.

NOTE: If you are happy for your child(ren) to be photographed, you don't have to do anything.
