

## **ISB Reunion / Class of 2000**

**June 25-26, 2010**

### **Brussels**

“On June 25th, after walking around the ISB campus with Brian White, we met up with Mrs. Boucher, Mr. Crowley and Mr. Hayward and shared a glass (or two) of Cabernet. Katie Williams and Marcus Holmlund joined me and Brian little later and all 4 of us headed to downtown Brussels. We went to see the Grand Place and settled for a few Belgian beers and a little plate of cheese and salami to go with the drinks. It was a sunny day so we picked seats on the terrace which provided us with a beautiful view of the center of Brussels. We walked around and headed to Pitta Street for dinner where we had not one but two pittas as some of us still have our favorites. We ended the night around 2am.

June 26th 2010 - We got together at the Roy d'Espagne on the Grand Place around 8:30pm. Little by little, the group got bigger. Once everyone had arrived, and our round of drinks was finished, we headed to Place St Gery to continue with the delicious Belgian beer and watch the World Cup game on big screens. The place was crowded - people were cheering, drinking and enjoying the experience. At around 10pm, we decided to grab a bite to eat. As not everyone had been able to join us the night before, we headed back to our old Pitta stomping grounds followed by drinks. We then went to Dali's (90's hang-out) as well as a Dutch bar, each time savoring a (couple of) refreshing Belgian beer. As the night went on, one by one, people were heading back to their hotels and by 6 am, the remaining few took the first metro/bus/train home!

The reunion was amazing. It was really great to see everyone again and a great experience to share an evening together after not having seen each other for a decade. No awkwardness. We were all there to have a good time, catch up, and make new memories. “
